

Think you could be New York's top cyber ace? Interested in a career in cybersecurity? Compete in the Cyber Aces Championship!

Top performers in the Cyber Aces online competition earn an invitation to the Governor's Cyber Aces Championship, where they will compete for top honors and cybersecurity education and training opportunities. Cybersecurity is among our country's and New York State's fastest growing careers and New York wants to identify and develop the state's top cyber talent!

**Open to high school and college students, active military and veterans,
and all others interested in careers in cybersecurity.**

**Free online cybersecurity competition includes three levels –
Networking, Operating Systems, System Administration**

Registrants receive free online tutorials

**Top qualifiers to compete in New York State Governor's
Cyber Aces Championship in Spring 2014**

Top Championship competitors eligible for advanced cyber education and job training

Online registration is free and open until October 14th!

First Cyber Aces online training module available now!

Competition begins October 15th!
