What is the Program:

Air Force Child Care Fee Assistance was created to provide authorized Reserve and Active Duty personnel assistance in locating, selecting, and offsetting the cost of civilian child care when on-base child care is not available. The programs available through Child Care Aware® of America provide subsidies for eligible military dependents enrolled in quality commercial child care programs. Child Care Aware® of America authorizes subsidy amounts based on total family income for those eligible Air Force families, and supplies monthly payments directly to the prospective child care provider.
