

SolarCity wants you.

Are you looking to transfer your valuable military training and experience into a fast-paced, rewarding civilian career in Advanced Solar Manufacturing?

SolarCity is bridging the gap between the demand for **Engineering and Maintenance Technicians** to the thousands of US Veterans and pre-separation Active Duty Service men and women.

- ▶ Immediate job openings in Buffalo, NY
 - Engineering
 - Equipment and Facilities maintenance
- ▶ Excellent benefits and rapid growth opportunities
- ▶ Potential for job offers up to 6 months pre-separation
- ▶ Up to 30 days paid training leave annually for reserve component personnel

Thank you for your service!
